FALL WINTER 2025

BETWEEN VELVET AND RHINESTONES

The Maje girl moves through Paris, radiant and free. Evoking the spirit of the Palace years, she glows in velvet, tulle, and shimmering rhinestones, catching the light with effortless elegance.

Contrasting pieces reflect both sensuality and modernity: a flowing jumpsuit, a pleated tulle mini dress, an embroidered sparkling suit, a couture velvet bodysuit, and graphic heels. Joyful and unapologetic, she loves to dance, to embrace the night, to celebrate life.
